AUDITS

An audit of Attleboro Public School System accounts will be conducted annually as part of the City audit. In addition, the School Committee may request a private audit of school system accounts at its discretion.

The School Committee will require participation in the following audits:

1. All audits by the City of Attleboro
2. Private audit of Revolving Accounts/Student Activities on a rotating basis
3. End-of-year Report by Department of Education
