Motor Vehicle Idling on School Grounds

The Attleboro Public Schools is committed to improve school campus air quality and practice safe and healthy procedures throughout the district. Thereby, no motor vehicle operator should idle a motor vehicle in, on, or within 100 feet unnecessarily near a school building whether or not school is in session, except for reasons of traffic safety and emergency conditions; picking up or discharging passengers; turbo-charged diesel engines cooling down or warming up; for servicing or repairing of motor vehicles and/or maintaining the appropriate temperature for school buses when accepting or discharging students.

Such idling of district-operated vehicles is not to exceed three (3) minutes in any fifteen (15) minute period or one (1) minute in any fifteen (15) minute period for other motor vehicles. Violators of this policy may be subject to imposed fines enforceable by the state and local police.
