

STAFF FRINGE BENEFITS

The Attleboro School Committee recognizes that benefits, in addition to a basic salary, are an integral part of the total compensation plan for staff members. The benefits extended regular full-time staff members will be designed to promote their economic security and will include a comprehensive health insurance program offered by the City of Attleboro.

In an attempt to standardize benefits, the School Committee recognizes certain fringe benefits established through negotiations with collective bargaining units. These benefits will be offered to employees with Individual Employment Agreements and will be consistent with those defined
