

Student Fees, Fines, and Charges

The School Committee recognizes the need for student fees to fund certain school activities. It also recognizes that some students may not be able to pay these fees. While no student will be denied access due to an inability to pay fees, all students will be required to remit charges and fines.

A school may exact a fee or charge only upon Committee approval. The schools, however, may:

Charge students enrolled in certain courses for the cost of materials used in projects that will become the property of the student.

Charge for lost and damaged books, materials, supplies, and equipment.

Students who are indigent are exempt from paying fees. However, indigent students are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

All student fees and charges, both optional and required, will be listed and described annually in each school's student handbook or in some other written form and distributed to each student. The notice will advise students that fees are to be paid and of the penalties for their failure to pay them. Permissible penalties include the denial of participation in extra class activities and graduation exercises and activities while the student is enrolled in this District.

Any fee or charge due to any school in the District and not paid at the end of the school year will be carried forward to the next succeeding school year, as such debts are considered to be debts of the student to the District and not to a particular school.
