The recipients will be recognized and honored at a spotlight meeting presentation during the school committee meeting on May 8th at 6:45

The Abilities awareness fair is in process of planning with Mr. Boles to be held at Coelho Middle School. It will be held during the school day on June 15th, 2017. It's an enrichment program allowing students to experience some of the challenges of a person with a disability. The fair will have various stations representing different disabilities with hands on activities. Volunteer sign up on information table.
