Laurie A. Regan • ASSISTANT SUPERINTENDENT OF SCHOOLS

March 13, 2020

Dear Attleboro Public School Families,

Over the last several weeks, the administration has been closely monitoring the quickly evolving information and guidelines around COVID-19 in Massachusetts. We have spent many hours in thoughtful deliberation about how we can best continue academic progress for our students in the event of a school closure.

As a cautionary measure, we have prepared at-home learning opportunities to be used if we are forced to close schools for multiple days. In the interest of ensuring equity of access, we have prepared digital and non-digital learning options. It is our hope that these efforts will help our students maintain skills, and recognize that this will not replace in-person teaching. Should a school closing occur, we suggest setting a schedule for dedicated learning time. We encourage you to use and/or modify these resources and activities to best meet the needs of your learner(s).

Please visit the Attleboro Public Schools website to find additional learning options under the *For Families tab - Extended Learning Resources* ([http://www.attleboroschools.com/for\\_families/extended\\_learning\\_resources](http://www.attleboroschools.com/for_families/extended_learning_resources)) and review the instructional materials sent home with your child.

Information about cancellations will be sent to you using the same process we use for inclement weather. We appreciate your patience as we navigate this progressing situation.

Thank you,

A handwritten signature in cursive script that reads 'Laurie Regan'.

Laurie Regan
