Home Care Aide Certificate Training

Principal's Message

In a few weeks we will be celebrating the graduation of the Class of 2006. This has been a wonderful year, in which students throughout the school demonstrated amazing achievements in their academic and extracurricular activities. At the National Honor Society Induction, Awards Night, and on Scholarship Night we recognized many of the seniors for their outstanding accomplishments in various arenas. I congratulate each graduate, and their families, and wish you all the best in the years ahead.

Earlier in the year I announced my intention to retire at the end of the school year. I would like to take this opportunity to thank the students, staff, parents, my colleagues in Central Office as well as those in other Attleboro Schools, and members of the community for all the support and encouragement I've received over the years. I truly enjoy arriving at school every day. Although this job can be a challenge, I can honestly say I've enjoyed my tenure and feel privileged to have had the experience of being the principal at AHS. The staff is second-to-none, extremely dedicated and talented. The students are a joy to work with - I gain energy and inspiration from them every day.

My replacement, Donald Frederick, is a very experienced and knowledgeable educator. He will undoubtedly bring fresh vision and energy to this fabulous school. He has a proven record of successful administration in a very similar school. I have told him how fortunate he is to have been given this opportunity, for this is a dynamic school that just keeps getting better. I wish Mr. Frederick the very best, and I know he will appreciate the same support and great

spirit that I've experienced.

Though I will not be here in future years, Blue Pride will stay with me. I will most certainly keep informed about the exciting achievements taking place at AHS every day, applauding and smiling with each piece of good news.
