

# 2019-2020 FEE FOR SERVICE REFUND INFORMATION

## **For APS families who paid a FFS Fee in the 2019-2020 school year:**

We hope this finds you and your families safe and healthy.

Due to the closure of the district on March 13<sup>th</sup> last school year and the cessation of transportation during the year, a pro-rated credit will be applied to your Fee for Service application for the 2020-2021 school year. Exactly one third of the school year got cancelled with the closure on March 13<sup>th</sup> (it was the 120<sup>th</sup> school day), and therefore if you paid for Fee for Service for the 2019-2020 school year, your fee for the 2020-2021 year will be \$127, rather than the normal \$190. A similar discount will be applied to fees paid for multiple children.

For families who have had changes in circumstance such as having a student who now goes to a district school where FFS will not be needed, or having a senior who has graduated or having a change in the family's circumstance due to the State wide shut down, a refund of \$63 (on a regular \$190 FSS Fee) can be applied for by getting a W-9 [HERE](#) and completing the W-9. Please be sure to indicate the student(s) name and address, as well as the name and address of the adult who made out the FFS application for the 2019-2020 school year. Please be advised that refunds typically cannot be processed any quicker than 60 days, and at this time of year, (year-end) it may be a little longer.
